LAZAR DJOKOVIC

STUDENT

HI,

My name is Lazar Djokovic. Currently living in Belgrade, Serbia. I'm interested in web development, and i have created different webisites using HTML5, CSS3, Bootstrap, JavaScript, JQuery, AJAX, PHP, MySQL etc. I'm a sociable and hardworking person, my goal is to find a company which can provide me, as a beginner, with valuable instructions and informations and I am interested in volunteering to gain experience in the field.
